Effective October 1, 2026

DISTRIBUTION TARIFF STONY PLAIN REA

Farm Rate

Farm Rate is available to members in the Stony Plain REA service area.

	Transmission	Distribution	Total Distribution Tariff
For all kWh delivered	5.6444 ¢/kWh		5.6444 ¢/kWh [1]

Capacity Charge

	Transmission	Distribution	Total Distribution Tariff
For first 3 kVA		$ 1.3072 /day	$ 1.3072 /day
For all additional kVA		$ 0.1887 /day / kVA	$ 0.1887 /day / kVA

The kVA of Capacity is:

1. for breakered services 25 kVA or less, the greater of the breaker rating in kVA or 3 kVA;
2. for non-breakered services 25 kVA or less, the required transformer size; and
3. for non-breakered services greater than 25 kVA, the highest metered demand in the billing period but not less than 25 kVA.

Idle Service Rate

Idle Service Rate is available to members who are not energized but the distribution facilities are to remain intact.

Capacity Charge

	Transmission	Distribution	Total Distribution Tariff
For Services 25 kVA or Less		$ 0.9866 /day	$ 0.9866 /day
For Services Greater than 25 kVA		$ 0.9866 /day	$ 0.9866 /day

[1] Transmission rates will integrate AUC approved Base Transmission Rider, Quarterly Transmission Adjustment Rider, and Balancing Pool Allocation Rider.
